## ALL IN THE FAMILY

### RTLC Calls Sands Simonton, grandson of Rainbow Trail's First Director, to be New Director of Site and Facilities

Rainbow Trail would like to introduce you to Sands Simonton, the newest member of our full-time team. Sands grew up in Eagle, Colorado, and was a Rainbow Trail camper for ten years. During the past five summers, Sands served on the Rainbow Trail summer ministry team as a Maintenance Assistant for two summers and then served as the Summer Facilities Director for the next three summers. All of those summers of training came under the tutelage of Kyle Larson, our most recent Director of Site and Facilities. That experience gives him a great foundation to step into his new position. Sands received his Bachelor of Science degree in Natural Resources Management

from CSU this past May. He started serving at RTLC in his new role on January 4th.

It is only fitting that Sands eventually made it onto our full-time team. Sands' grandfather, the Rev. Don Simonton, was Rainbow Trail's first director and is known

for being a part of the famous horseshoe toss that sealed the deal for the soon to be formed Rocky Mountain Synod, LCA purchasing Rainbow Trail as their camp back in 1957. Sands' roots here grow deep!

Rainbow Trail guests and

campers will find Sands to be a welcoming and enthusiastic presence, an engaging communicator, and a partner with them on their faith journeys. One of Sands' favorite parts of summer camp is working with campers to create props for campers' Village of the Day themes to make their day that much more special. In addition to his passion for serving people, Sands is a competitive skier, truly loves God's fabulous outdoors, really enjoys playing his guitar, and is an avid rock climber. We are very excited to have Sands join us as a part of our full-time, year-round staff! When you come to camp next time, be sure to find Sands and introduce yourself!

## YOU ARE AMAZING!

### Rainbow Trail Community Sustains RTLC in a Challenging Year

You may have heard it said that it is in the midst of great challenges that you see what people are really made of. This has never rung more true than it did in 2020. What could have been an insurmountably challenging year for our ministry turned into an indescribable outpouring of support for the ministries of Rainbow Trail like we have never, ever experienced. Who would have thought we would be saying that in the midst of a global pandemic? The Rainbow Trail community gave and gave again to ensure that we would be ready to lead great ministry in 2021. We are beyond grateful and are humbled by your generosity. We can honestly say we would not be here if it were not for you. We made a huge commitment to our 2020 summer staff to hire

them and pay them no matter how the summer played out. We were able to raise \$160,000 to cover ALL of our summer staff salaries. We completed the remodel of Bristlecone Lodge and because of you, the remodel is fully paid for. And then Colorado Gives Day happened. Colorado Gives Day

raised \$108,537 for our annual fund! This is the highest amount we have ever raised from Colorado Gives. Congregations, who we know have been affected by this pandemic as well, gave over \$100,000 to support this ministry. Finally, we included

a \$10,000 matching gift in our Christmas letter which helped inspire 621 gifts in the month of December alone, the most for a single month ever. Trailblazer, Pathfinder and Contributor gifts were all the highest we have ever received for each category, raising a total of close to \$540,000.

You have been a blessing to so many: the campers that were able to come last summer, the retreaters that were able to come this past fall, and all of the campers and families that will be joining us this coming summer in 2021. Thank you for believing in this ministry and stepping to the line when we needed you most. We are ready and excited for all that 2021 holds for this ministry because of you. YOU ARE AMAZING!

### Rainbow Trail Mission Statement

Rainbow Trail Lutheran Camp creates holy spaces that embody God's radical grace to affirm, empower, and transform all people to be Christ's light in the world

## Trail Boss

By Dave Jarvis - Executive Director

Even though things are different, many things are the same. Vaccines are coming, people are registering for camp, we are recruiting and interviewing folks for summer staff, and we are going to have summer camp! It has been a very busy start of the new year, a year full of hope and promise!

We have had great registrations for our summer on-site programs. One week is already full with two more getting close to full. We have over 850 campers already registered for this summer and it is still early. But don't wait to register! Take a look at which week will work for your child and register now. It will be a life-changing week for your kids! We also have 33 day camps scheduled that will be happening out in the congregations. There is still room for your senior high youth to go on a Compass Points backpacking trip or Bridging Borders service trip this summer. Contact Maggie Brakke or Cam Regennitter respectively for more information on these programs.

Many people think that church camp is a nice "extra" in their child's summer. But it is so much more. I hear from campers over and over again about how camp has solidified their faith and really equipped them to be Christ's light in the world. Camp changes people in some amazing ways. I want every child to experience that wonderfully loving and grace-filled community. Money should never be the reason any child doesn't come to RTLCL. So, don't let that be a barrier. The first question to ask is "Do you want your child to go to camp?" That is a yes/no question. If your answer is yes, then, together, let's figure out a way to get them there. If you are in a position where finances will prevent you from sending your child to camp, please contact me—we'll find a way to get your child to camp! We have very generous donors that have given specifically to provide camperships for this exact reason. Do this for your child. If you want your kids or family to come to camp this summer, we will find a way to make that happen! This year, more than ever, kids need the socialization of camp and to be in community again. Let camp help your kids and family transition out of this time of isolation. We'd love to see you!

The Land Exchange is moving forward, even if it is slow! The Forest Service has completed the draft of their land exchange feasibility analysis and it is in the supervisor's office for review. We hope to have an affirmative response from them before summer. At that point, we will start the actual land exchange which will take about two years to complete. We are getting close!! There are still opportunities to support this effort. We have calculated that we will still need to raise around \$180,000 to cover all of the remaining costs of the 64 steps of the actual exchange. We will do one last fundraising push for the Land Exchange after we receive the affirmative response from the Forest Service. Please keep this Land Exchange in your prayers.

The Bristlecone Lodge remodel is done!! It is gorgeous! I can't wait to get you out to camp and show it off. BC will be able to serve us well for many years to come. This may be the crown jewel of Kyle Larson's leadership with our site and facilities. As hard and challenging as last year was, 2020 was a great year for our ministry. We were able to run five weeks of actual on-site camp along with four weeks of virtual "on-site" camp. We also provided virtual day camp for 27 congregations. And maybe just as big, we were able to bring our whole summer staff in to provide ministry and we were able to pay them all. Your generosity will be the story that is told about 2020. The financial support we received was unbelievable! Through supporting staff salaries, Bristlecone Lodge, and Colorado Gives Day, you made a very bold statement of the value and importance of RTLCL in your lives. Thank you all for supporting this ministry and for supporting me as your director.

I want to publicly thank Kyle Larson for his service to Rainbow Trail. We often talk about RTLCL culture, and Kyle's legacy will be that he was instrumental in our culture becoming part of EVERY aspect of our ministry. In many camps, the area of site and facilities is often a maintenance job with very little interaction with people or even with ministry. But here, Site and Facilities is a key part of our ministry and the fact that campers can come to Skunk Cabbage, share a dream for their Village of the Day, and then cool and amazing props appear the next day speaks volumes. Adults are listening to kids, and helping their ideas come to fruition. Our site has been transformed during Kyle's time with us. Kyle and I were talking and I think he has touched and improved every single building on our site. Kyle had a vision of what our site could be, and then pushed me to find the funds to make that happen. We had great trust and a great partnership. I consider him a close friend. We will miss you dearly Kyle!

Great news that we have just received is that because we are licensed child care, our full-time and summer staff fall in the 1B group (below the dotted line) to get vaccinated. Our full-time team falls in right behind teachers in late February, and our summer staff will be sometime in March or April. This is a game changer in how we will be able to serve. We are planning in person Day Camps this year and are expecting a full slate of weeks on-site in 2021. We have a summer of experience to build on as we serve. We'll keep it safe. Kids need to be at camp!!

We have started recruiting our summer staff. We did a small loop through the Colorado schools, and did some distanced and masked interviews. It is different for sure, but it is working! I am optimistic about this year. And I am so excited for what lies ahead and all the possibilities. Please pray for this ministry and for our staff. We take great joy in serving you through RTLCL. I am beginning my 33rd year at Rainbow Trail. I could not have asked for a better place to live over half my life and have the opportunity to serve you with all of my gifts. The RTLCL community is our family. You have all become an integral part of our story. Thanks for being my partner all along the way! I can't wait to see what God has planned for us in 2021!

Until next time.

## Kyle and Avery Leave Behind an Unforgettable Legacy!

As many of you know already, Kyle Larson has recently closed his full-time chapter at Rainbow Trail and has started the next one in life. Kyle grew up being a part of the Rainbow Trail culture ever since he was a camper. After being on summer staff for a few years, he started his full-time era in 2013.

If you come onto Rainbow Trail's physical site and look around, everything you see Kyle has put his hands on. From the bottom of Billy

Humble Rd., all the way up to the Three Crosses worship area. Kyle's ideas and creativity brought to his position are among the main reasons Rainbow Trail Luther Camp's sight is one of the best in the country. Some significant jobs that have taken place over the years under Kyle's supervision and the most recent one that he ended his RTLCL career on was the interior remodel of Bristlecone Lodge. It was not an easy project, but it looks fantastic at the end of the day and is now ready for retreats and summer! Kyle has also touched many lives at camp, from his time as a counselor changing his campers' lives to the endless number of camphands, maintenance assistants and directors, and volunteers he has supervised over his eight years. He has a way to show God's love with his words and advice, helping people see how the Spirit moves throughout their own lives without even knowing it.

After eight years as the Director of Site and Facilities, Kyle and Avery, along with his fiancé Katie and her pup Scout, will be moving to Denver to start their next chapter together. Kyle is now working for Toll Brothers Construction as an Assistant Construction Manager. There is no doubt that his presence there will be a game-changer for the Toll Brothers organization.

Thank you, Kyle, for everything you have done for RTLCL over the years. Your legacy will last a lifetime, and there is no doubt we will miss you. Never forget that you always have a home in Hillside, Colorado!

## Same Great Place, Just a New Address

After years of service to Rainbow Trail and the surrounding community, the Hillside Post Office has officially closed. With that closure, Rainbow Trail will have a new address to receive camper mail, gifts, and wish list items. Now here is the confusing part of this – our physical address and our mailing address look VERY similar, but they are not the same!

To send regular mail through the U.S. Post Office, send letters and packages to:

NAME  
RAINBOW TRAIL LUTHERAN CAMP  
3056 COUNTY ROAD 198  
WESTCLIFFE, CO 81252

To send packages through UPS and FED EX, send letters and packages to:

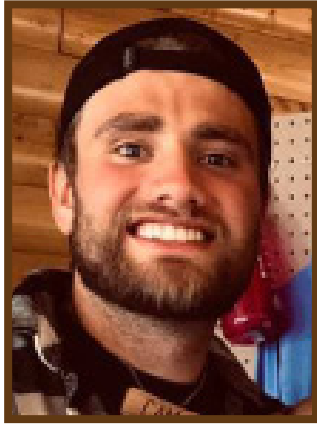

NAME  
RAINBOW TRAIL LUTHERAN CAMP  
3056 COUNTY ROAD 198  
HILLSIDE, CO 81232

This will become second nature soon, but be careful to note which address you are sending your camper mail and wish list items for this summer!

# Camp Vibes

By Cam Regennitter - Director of On-Site & Bridging Borders

Shalom to all you wonderful friends and family of Rainbow Trail! As I sat here reflecting on what I was going to write about, it dawned on me that I will be entering into my 3rd year as a full-time director at RTLCL. As cliché as it is to say, time flies when you are having fun. In the last two years, I have learned so much, from how to grow intentional relationships with partners of RTLCL to playing an F bar chord on a guitar. Also, understanding the different philosophies and techniques behind fundraising, developing my marketing and videographer skills, and acknowledging that our Intro campers genuinely are in charge when they are on-site.

There is one thing I've leaned into the most, and that's knowing where my feet are, also known as being fully present in the moment. It is easy to get caught up with the distractions and work that sometimes I miss the cool parts of outdoor ministry. The beautiful scenery of camp, how great my co-workers are, and how lucky I am to have a job where I get to share Jesus's love and play with kids! Living in the moment can be challenging but so worth it when you realize it.

This summer is shaping up to be something special! As we continue to develop our knowledge of COVID-19 and how to do another summer during a pandemic, I can say I am so confident moving forward. As a full-time team, our board of directors and resources like the American Camp Association continue to think of new ways to do ministry safely. Staff recruiting has been the most recent example. As we cannot visit the majority of campuses this year, that has not stopped us from finding new staff in new ways. Staff alumni have played a big part in that, along with the whole Rainbow Trail community! If you know of any college-aged people who you think would be an excellent fit for our summer staff, have them reach out to me at [cam@rainbowtrail.org](mailto:cam@rainbowtrail.org)! Even if they are on the fence about applying or not, have them know the interview process is excellent for determining their decision.

Thank you as always for your support in all shapes and sizes. I am so happy that we can keep moving forward as an organization to bring God's love to all people. Hope to see some of you this spring for retreats!

*Cam*

## The Summit Relax, Renew, and Recharge!

You know how hard your youth ministry staff works for your congregation, organizing virtual activities and keeping everyone connected through this crazy year. Well, Rainbow Trail wants to give them a little bonus for all that they do. Rainbow Trail hosts The Summit, RTLCL's youth ministry retreat, each spring for your youth and family ministers. It's a chance for them to connect with each other and to reflect on this last year. And it is absolutely FREE for them. It is our gift, The Summit will be held April 19-22, 2021 at camp and is free to church personnel who work with youth in the Rocky Mountain Synod.

A retreat for anyone working professionally in ministry with youth, young adults, children, and families. Designed as a time of personal renewal, professional development, continuing education, and networking with other Youth Directors, Pastors, and Christian Educators.

Time is spent in a peaceful mountain setting surrounded by God's creation and wonderful people. Days are filled with time to relax, play, worship and be engaged in conversation and learning. This retreat will begin with lunch on Monday and ends with brunch on Wednesday. Early arrival options are also available.

These days are a chance to reflect on how this year impacted your lives as youth and family ministry staff. This year created chances for so many creative ways to worship. Doing ministry differently changes our outlook on our faith communities, our relationships, and our individual walk with God. This is an opportunity to reflect as a larger faith community to work through challenges that this year has presented to us. As we focus on the difficulties of this past year, it is important to also look forward to what we hope for our congregations and for our own faith journeys. Through all of the different ways we worked through virtual ministry, we can find best practices to bring people closer together and closer to God.

Weeks are filling up but spots are still open in the following sessions. **DON'T WAIT! Register today, or you may not have a spot!**

## The Lions Den

By Daniel Kirschbaum - Director of Retreat

We made it to 2021! The last year has certainly brought many challenges but it's been a complete joy to journey with this community and celebrate all of the successes along the way. Witnessing the generosity and hope that you all have for this ministry is an overwhelming blessing. I'm thankful to be stewarding my part of it

The second half of our fall season was cut short by the rising number of Covid cases as we canceled Senior High Retreat and Adventfest. This was a real loss for me personally as I deeply look forward to the way these events mark the holiday season in my life. However, it allowed us some much needed space to plan for this calendar year and I'm feeling energized and ready for a busy spring retreat season and a full summer. Additionally, I have been working on a Masters Degree from Wartburg Theological Seminary and I will say that having some time to focus on final papers was appreciated.

For Christmas, we made the drive back to Wisconsin to see friends and family. I love being back by the Mississippi and having the chance to walk over the frozen lakes. Because of covid this looked pretty different than normal years of family traditions but I was able to see a lot of people I love at a safe distance. Jonathan traveled northeast as well and spent some time with his family too. We didn't make the trip together in an effort to keep our families healthy which was strange but we managed.

As I look ahead to the rest of the winter and into the spring, I'm overwhelmed with joyful anticipation. We have so many exciting things coming towards us. We will be putting both our summer and retreat staff into place, we are preparing for many groups to join us at camp and I'm excited to be hosting a winter family camp in March! If you've never been onsite during the colder months, I encourage you to find a way to check it out!

As we close a year of strange challenges and unexpected joys, I continue to be in awe of the power of this community. Thank you for all the ways you support this ministry. I hope to see you on the mountain soon!

*Daniel*

Rainbow Trail is offering winter family weekends this spring! You have the opportunity to come and stay up on the snow-covered mountain and spend some time skiing, snow hiking, or anything else we can make possible with your family.

There are two options available for these weekends: a programmed weekend or Do-It-Yourself Weekends. The programmed weekend is March 19-21 (2 nights). During this weekend, you will be provided with lodging, meals, and other camp activities your family is interested in.

The Do-It-Yourself Weekends are most weekends from February to May (inquire about availability). During these weekends, you provide the food, and we provide your lodging and a kitchen! There is also internet connection strong enough for home learning and working from home. And of course, Colorado winters are known for the skiing. Monarch Mountain is only one hour and 15 minutes from Rainbow Trail and offers amazing skiing, snowboarding, and tubing for people of all skill levels! You can visit the Monarch Mountain website or call us here at camp for information about rentals and buying lift tickets.

For the Programmed Weekends, you can register on the Rainbow Trail website. For the Do-It-Yourself Weekends, you can register by calling our camp office at (719) 942-4220. We would love to see you up at camp this spring!

## Great New Ways To Continue To Support RTLC

The support of our donors is key to our ministry thriving and growing. There are a multitude of ways that you can give to this ministry. Stocks, bonds, mutual and ETF funds, checks, online, and gifts to annual support or specific projects like the land exchange or camperships are just a few. However, there are some other tools available of which you may not be aware.

If you own an IRA and are over the age 70 1/2 you may be eligible to make a Qualified Charitable Distribution (ie a contribution to RTLC) directly from your IRA and not include the amount given as subject to income tax. And such charitable gifts reduce the amount of Required Minimum Distribution you must take for yourself every year! Because of recent law changes, it is always good to consult your tax advisor, but if you are eligible for this, it is a very good deal!

Donor Advised Funds (DAFs) are tax-advantaged investment accounts used for charitable giving. You can fund a DAF with cash or other assets and take a tax deduction for doing so. Usually, people opt to contribute their appreciated investments so they don't have to face the tax consequences of selling it themselves. Once inside the donor-advised fund, your contributions continue to grow tax-free until you elect to issue a grant to the IRS-approved charity of your choice.

The beauty of donor-advised funds is they're available to anyone. Donor-advised funds are "designed to be a simple, turnkey way to execute your philanthropic wishes, whether you're giving \$500 or several million." You can give as much or as little (as long as it's at least \$50) as you want to one charity or dozens whenever you choose. Many charitable gift experts call donor-advised funds "flexible philanthropy."

Take advantage of these tools to help our ministry grow. Talk with your financial advisor and/or your tax consultant for more details. Or contact Dave at [dave@rainbowtrail.org](mailto:dave@rainbowtrail.org) and he can help you get connected to an expert.

## Simonton Says

By Sands Simonton- Director of Site and Facilities

Howdy! For those who don't know me, my name is Sands Simonton, and I am the new Director of Site and Facilities here at Rainbow Trail Lutheran Camp. I was born in Vail, CO, and grew up in Eagle, CO. Some of my passions are skiing, rock climbing, woodworking, and playing guitar. I've been coming to camp ever since I was an intro and was on summer staff working on maintenance from 2016 through 2020. I can't express how excited I am to have this job and to experience the full-time life that comes with it. Rev. Don Simonton was my Grandpa and the first Executive Director here at camp from 1957 to 66, and to be able to carry on the family legacy is something that I hold very close to my heart. I look forward to continuing my work here at camp, building relationships with all of you who come to witness the Holy Spirit in such a place. I must share something important to me because I owe a lot of what I know about this grace-filled place and to the person I've become to Kyle Larson. I worked five summers alongside him, and I really wouldn't be where I am now if it weren't for his friendship and guidance. We are excited for what his future holds, and he will be greatly missed.

Working with the physical site of Rainbow Trail is one of the most rewarding jobs I could imagine. I'm very familiar with the summer program, but I have some things to learn as far as the retreat season goes. I'm becoming more and more comfortable with the position every day. Winter up here at camp is beautiful and peaceful beyond comparison. This year so far, there's been an incredible amount of snow. In just the past few weeks, we've gotten over a foot of snow. I never thought plowing snow off the roads would be so much fun! Our first Bible Study Retreat took place a few weekends ago, where some great learning experiences presented themselves to me. I was truly blown away by the careful thought and effort put into the study by each of our writers. The Bible Study Writers retreat was one that I had never been a part of before, but I think it may be my favorite so far. I think we will be blessed with an incredible bible study for both campers and staff this summer. Unfortunately, as all of you know, the COVID-19 pandemic is still significantly impacting everyone's lives. Our retreat season has been slower than previous years because of this, but I am happy that we can stay safe and continue to perform great ministry in preparation for this summer.

As far as the site goes, things are looking pretty good! There are a few things left on the BC remodel agenda, but I think I'd call it a good 98% done. I just installed the new washer and dryer in the upstairs common room/kitchen, and we are currently looking at some new table and furniture options. Because of the large amount of snow, a lot of my time so far has been spent on making sure nothing freezes, and all our buildings are warm and comfortable. My first significant repair happened on our new boiler system in Aspen (dining hall). Luckily, it's a brilliant system and has a fail-safe which kept the building above freezing temperatures, thank the Lord! My love and care for this site and the things it stands for gives me more than enough motivation to teach myself and troubleshoot things I've never had to tackle before. What an incredible feeling to know that I'm involved in such an essential part of this ministry as a whole.

My personal life is excellent as well. I just moved into my new rental house in Salida, Colorado. I've always dreamed of living there, and it's finally happened. My roommate is a dog musher in Salida and an Arborist, so we get along pretty darn well. On a more annoying note, my Subaru broke down for the second time in two weeks, so it's safe to say that I am in the market for a new vehicle, which is very exciting for me!

## Thank You for Being Part of the Ministry of Rainbow Trail!

Rainbow Trail is blessed to have a great cloud of witnesses that give their time and talent to the ministries that happen. The staff at Rainbow Trail work very hard to offer quality programs, food, and facilities, but it would never happen without the amazing support and dedication of all these volunteers. We've made every effort to include all those who have volunteered in 2020; if we inadvertently left you off the list, please forgive us and call the camp office at 719-276-5233 so we can make a correction. Thank you for your amazing service to Rainbow Trail!

## Let's Make Tax Season Fun Again! ReFUND CO

It's that time of the year again - that dreaded tax season. It is a part of spring that we all try to avoid. Well, we have a way to make it more fun for you! As you file your taxes, you have the opportunity to donate to Rainbow Trail out of your refund!

Donate to a Colorado Nonprofit is a new option on your Colorado Tax Return for your 2021 taxes. Taxpayers with a Colorado refund can use the "Voluntary Contributions" schedule to choose an eligible nonprofit to donate to from their tax refund. Rainbow Trail just found out that we qualified as an eligible non-profit!

Look for the NEW additional option of "DONATE TO A COLORADO NONPROFIT FUND" on the Voluntary Contribution schedule and list the following 3 items on your 2020 Colorado tax refund. To donate to Rainbow Trail Lutheran Camp use the following information:

1. Name of Organization: Rainbow Trail Lutheran Camp
2. Registration number: 20123031231
3. The amount you wish to donate

Important: If you use a third party tax preparer, be sure to provide this information to them.

For FAQ's about ReFUND CO, go to the RTLCL website under Donate and click on Give A Gift.

Anyone living in Colorado can make a donation through their tax

## Blazing New Paths!

Trailblazers and Pathfinders are Rainbow Trail's annual giving clubs that sustain and allow our ministry to grow. For as little as \$10 a month, or \$120 a year, you can become a Trailblazer and make a huge difference in everything that happens here at camp! Pathfinders are those that would like to give a little more. For \$1,000 or more a year, you can become a Pathfinder and can make a bigger difference in this incredible ministry. From Day Camp to Bridging Borders to On-Site ministries to Compass Points to RTLCL South to camperships,

Trailblazer and Pathfinder dollars help to make a difference in countless lives through wonderful faith experiences. Support from the Rocky Mountain Synod to Rainbow Trail needed to be reduced to \$19,500 annually a few years ago. We need your help in covering that difference. You can join by simply making your gift to Rainbow Trail. If you are interested in knowing more about Trailblazers or Pathfinders, please contact Dave at the Canon City office (719-276-5233) or by e-mail at [dave@rainbowtrail.org](mailto:dave@rainbowtrail.org).

# Chris' Corner

By Chris Seaman - Food Service Manager

Hello to my RTLC Family! Today the sun is shining; it's 40 degrees out and wonders of wonders, the winds not blowing! I have been trying some new recipes that just might make a surprise appearance this summer! It will be SO great to see my people again! Things will still be done with the utmost care for our guests, so you will see many changes in procedures, all aimed at keeping you safe while still enjoying the "camp" experience! It's very encouraging to know that our excellent nurse Carla and Leah Jarvis, will be returning. They were both very instrumental in developing the protocols that we used every day. Since we had no reported cases from campers last year, I think they did a spectacular job. Thank You to you both!

Of course, the big guy (Dave) did his usual job of awesomeness! I don't know of another person who is so dedicated to his staff. Thank You, Dave!

We had to wish a very sad farewell to Kyle this year. You are loved and will be greatly missed! But have no fear! Sands Simonton is taking over! Sandy will be a great addition to our full-time staff.

So, now to some recipes and fun food facts! I thought it might be time for some good for the soul soup recipes. Both of these soups can be prepared as vegetarian dishes! The first is

"Black Bean Soup" this soup is great served with cornbread and a salad! You will need, 3c. Chopped onion, 2Tbl. Olive oil, 3Tbl. Minced garlic, 2c. Chopped red bell pepper, 1 can 28oz. Diced tomatoes with juice, 2- 4oz. Cans green chiles, 1Tbl. Cumin, 2 boxes chicken or veggie broth, 8-15oz. Cans black beans, rinsed and drained, 1/2c. Red wine vinegar. You can also add 2lbs. of cooked ground beef or diced chicken. I like to add a whole jalapeno finely chopped, seeds and membranes removed. Bring the heat! To prepare, heat oil in a stockpot. Saute onions, bell pepper, and garlic till tender. Add remaining ingredients to the pot; bring to a boil. Reduce heat cover and simmer for 1/2 hour. Serve topped with sour cream, fresh cilantro, and shredded cheese.

The next soup is "Beef Tortellini Soup." You will need 1lb. Cooked and drained ground beef, 3c. Water, 1-28oz. Can tomato puree, 1 envelope onion soup mix, 9oz. Frozen green beans, 1tsp. Italian Seasoning, 1tsp. Garlic powder, 2 bay leaves, 1tsp. Salt, 1tsp. Pepper, 9oz. Cheese tortellini (frozen or refrigerated). To prepare, add all ingredients to the pot except for tortellini. Bring to a boil. Cover and reduce heat to simmer for 30min. Add tortellini and cook till tender. This is great served with some crusty rolls and a spinach salad! As always, add stuff and make it your own!

Now to some fun food facts. Caesar Salad was named after a restaurant owner in Tijuana, Mexico. Caesar Cardini was in trouble and was running out of food, so he used the only ingredients left and invented Caesar Salad! After you boil potatoes, try using the water in your bread recipe, and the bread will stay fresher longer at room temp. If you run out of yeast and need to make rolls, try using a tsp of baking soda and an equal amount of vitamin C. The results will be the same since a similar chemical reaction occurs. The secret to light dumplings is to puncture them when they are finished cooking to allow the air to circulate inside. Colas have a higher physiological dependence than smoking and alcohol and are harder to give up. Suppose you add 1 and 1/2 tsp. Butter to a portion of cooking pasta or soup. It will not boil over. When flare-ups from fat drippings start to burn the meat, place lettuce leaves over the hot coals to eliminate the problem. The first known recipe for ice cream was brought to Venice, Italy, by Marco Polo after a Japan journey. The Italians then introduced "Cream Ice" to Europe and later was renamed

"Ice Cream" by our own Dolly Madison for a White House function. Well, this is where I end this issue! I pray daily for all of you! May you stay healthy, happy, and loved! Always remember; God is Great!

Love,

Chris

## Compass Points Partners with Abide

CALLING ALL YOUNG ADULTS! In hopes to more actively minister to young adults our Compass Points program has partnered with the ELCA Young Adult Abide small groups to make a Young Adult Backpacking trip. Through the popularity of the Abide Ministries it became apparent that young adults are craving more programming created for them. We will be bringing in a young adult speaker who will lead alongside the Compass Points Directors, on this week-long backcountry experience. Ages 18-35 welcome! More information to come.

## Colorado Gives... and Gives... and Gives... and Gives!

With a challenging summer and a global pandemic going on, we have to admit we were a little worried about reaching our goal of \$100,000. We knew it would be a challenging goal on a normal year. But you guys amazed us all! This year's Colorado Gives Day was incredible! In a short 24 hours on December 8, 2020, the Rainbow Trail community responded to the challenge and gave \$108,537! An impressive 346 donors participated in giving to Rainbow Trail that day. The response to this day of giving not only shows the incredible generosity of this community, but also shows that Rainbow Trail is a place where so many people invest their hearts. This amount of giving is even more impressive since we had just raised \$159,000 to cover summer staff salaries during the prior five months. For that, we are truly grateful beyond measure, and hope you all will accept our deepest thanks. Your gifts have catapulted us into 2021 on square footing. These funds help support the day-to-day operations of camp including program equipment, summer staff salaries, our full-time staff, and site and facilities maintenance, to name a few. In all, Colorado Gives Day raised \$50 million for 2,828 non-profits in Colorado. We are already setting a goal of \$89,000 for next year! We will let you know the date for 2021 as soon as it is announced. Thank you again to those who joined us in this Spirit-filled day and to those who gave gifts to help support this ministry and all those it impacts.

## The Brak Pack

By Maggie Brakke - Director of Compass Points & Day Camp

After completing my first year at Rainbow Trail, I have to say it has been an unexpected journey. However, taking every challenge as an opportunity for innovation, I have been so proud of what our team has accomplished.

Fall allowed for some much needed respite. I traveled home to Minnesota for two weeks after summer to quarantine with my family at our cabin, got to help out with the Women's Retreat and Confirmation Retreat which are some of the most life-giving weekends up at camp, and got to jump back into my "off-season" hobbies of yoga and baking. As of this winter I officially graduated from Minnesota hill skiing to Colorado mountain skiing, and therefore think I can officially claim residence as a Coloradan.

Looking forward to summer fills me with such joy. Because of last spring's circumstances, I have a busy schedule this spring. I will be completing my Wilderness First Responder Course and my Level 1 Ropes Course Certifications between now and May, all while recruiting staff for a busy summer. We are so excited to host 22 Compass Points trips and go back out into the Rocky Mountain Synod for Day Camps.

Since we could not have as many of you on site last summer, I have yet to have the privilege of meeting many who make up the incredible Rainbow Trail community. If you are around camp this summer please do not hesitate to jump down to Eagle Peak to introduce yourself.

Maggie

## Wish List

### An Active Way to Support RTLC: Thrivent Action Teams

Thrivent Financial has moved to use Action Teams to encourage more people to be involved in more great projects. An action team is easy to organize. All that has to happen is a Thrivent member identifies a worthy project, finds a group of people to help with the project, and then goes to the Thrivent website and establishes the project in the system. Thrivent will provide \$250 in starter funds for the project in hopes that it can be used to generate more. For example, if your church wanted to buy something from the RTLC wish or need list, you could host a breakfast using the starter funds, and all the proceeds from your breakfast could be used to purchase that item for RTLC. Or you could do something similar to raise campership funds for your youth to go to camp this summer. Or you could use several action teams to buy materials for a congregational work weekend at Rainbow Trail. The sky is the limit for what projects can be done to help Rainbow Trail. Consider forming an action team and make a difference in this fun and worthwhile community effort! Contact Dave Jarvis if you have any questions or need more details.

These are larger items that we haven't budgeted for, but would love to have. Contact us if you would like to donate any of these items, new or gently used. You can bring them to camp, or call to arrange a drop-off or pick-up. Thank you for your continued support.

Sturdy Wheelbarrows	Freezerless Refrigerator
New Full or single mattress pads	Dish Cart
New Queen sheets - white	Phillips 60W & 100W Dimmable LED Bulbs

New 3-piece towel sets (20)	Used Day Camp Vehicle

## Shop Online

It's easy to give a gift from RTLC's Needs or Wish Lists online. We've pre-selected items that we are looking for and provided links straight to great deals that we've found. There is also a Compass Points specific list online. You can even ship directly to us!

[www.rainbowtrail.org/donate/needs-and-wish-list](http://www.rainbowtrail.org/donate/needs-and-wish-list)

### Use Your Thrivent Choice Dollars Wisely

If you are a Thrivent Financial member, we need your help! We exceeded our Thrivent Choice goal for 2020 of \$35,000 and have set a goal of \$37,000 for 2021. With that kind of support from Thrivent, not only can we continue to provide camperships but we can also possibly upgrade some of the equipment on our site.

Here is how you can help. You will need to go out to the Thrivent website each quarter to direct your Thrivent Choice dollars. This is the only way to ensure that your Thrivent Choice dollars will make it to Rainbow Trail each quarter. Go to <http://www.rainbowtrail.org/donate/thrivent-choice/> and follow the steps to make your designation.

If you have friends that are Thrivent members and who have not designated their Thrivent Choice dollars, please encourage them to designate those Thrivent Choice dollars to Rainbow Trail. We heard that there was close to \$1 million dollars in Choice dollars NOT distributed last year. Help us change that! You can help make a world of difference!!
