The proposed activity provided by Rainbow Trail requires participation in exercises which are, by their nature, physically demanding. Many of the activities will challenge you, and cause surges in blood pressure and pulse rates. It is imperative that you are free of any heart related or other diseases. Therefore, all participants must be free of medical or physical conditions which might create undue risks to themselves or any others who depend on them. Good physical condition will increase your enjoyment of these outdoor activities. If there is any doubt about your ability to safely participate in this experience, you should have a physical exam and a physician's release in order to participate.
